Most Urgent.

Dated 14th October, 2015.

To,
The Managing Director,
Odisha State Civil Supplies Corporation Ltd,
C/2, Nayapalli,
Bhubaneswar-751012.

Dear Sir,

Sub: Request for early Certification of Road Distance from Mill point to Paddy Purchase and Rice Depots.

We draw your kind attention to the Government decision for certification of road distance from miller point to the paddy purchase centers and rice receiving depots by the respective district collectors in order to release payment of transport charges. *However, the certification is yet to be completed and payment of crores of rupees to the millers is held up.* Apart from this, *Oscsc is also not able to submit bills to FCI and is loosing interest on the equal amount.*

The above matter was discussed in detail with your honour during meeting on 9.10.15 at Oscsc Conference Hall. General Manager, Accounts agreed to write a suitable clarification letter to all District Managers for completing this exercise in a time bound manner. *New paddy procurement is about to start shortly and this pending matter needs to be settled without any further delay.*

We therefore, request your honour to *kindly issue a suitable letter to all CSO-cum-District Managers to use the already available distances and to collect the information for the only remaining centers through field functionaries as he may think fit* for necessary approval from the District Collector immediately latest by 31st October, 2015. This may kindly be treated as **most urgent** and oblige.

Yours faithfully,

Copy to: Food Commissioner, Odisha.
