Sub: Certification of distance.

Sir,

Inviting a reference to the subject cited above, I am to say that as per the discussion held in Collectors' Conference on paddy procurement during KMS:2015-16, District Collectors were requested to certify the distance from PPCs to mills and from mills to RRC/FCI depots in the prescribed format through their field functionaries. But it is seen that no information in the matter has been received at this office till date from any of the districts except Bargarh. The issue being urgent in nature requires immediate compliance. As discussed & decided in the weekly procurement meeting held on 24.11.2015 at FS & CW Department, district office shall furnish the confirmation on certification of distance by 07.12.2015.

In this context, an e-mail reminder bearing proforma for submission of information on certification of distance as at Annexure-'A' has been sent for immediate compliance.

It is therefore requested to furnish the status of the certification of distance made by Collector in the prescribed proforma enclosed at Annexure-'A' immediately to this office for further action in the matter.

Encl: As above.

Yours faithfully,

bcw
