To

The District Manager,
OSCSC Ltd. Ganjam.

Sub:- Problems faced by transporters in unloading new gunnies.

Sir,

It has been reported by all the transport contractors of new gunnies transporting new gunny bales from DGS &D allotted Jute mills of Andhra Pradesh, West Bengal & Odisha to your district that, your custom millers and authorized officials in charge of unloading are collecting very high amount i.e. from Rs.50 to Rs.70/- per bale towards unloading charges of new gunnies from the transport contractors. They are also not co-operating the lorry drivers in timely unloading of new gunny bales. It is learnt that this is in contrast to most other districts where unloading charges to the extent of maximum Rs.30/- per bale is charged.

For this reason the transporters are reluctant to transport required number of new gunny bales to your district. Accordingly you are directed to ensure that reasonable unloading charges in consonance with other districts are collected from the transporters and the authorized officials and millers may be directed to cooperate for prompt unloading without harassing the lorry drivers. You are required to ensure this immediately for smooth transportation of adequate number new gunnies to your district

Yours faithfully,

Managing Director
