Sub: Payment of Mandi Handling Operation at Paddy Purchase Centres.

Ref: This office letter No.9059 dt.01.06.2017.

Sir,

Inviting reference to the letter on the above subject, I am to say that a meeting was held for discussion about Mandi Handling Operations at PPCs and payment of Mandi Handling Charges under the Chairmanship of Principal Secretary to Govt., FS & CW Deptt. on 25.07.2017.

After threadbare discussion about the roles of different stakeholders in paddy procurement operations and ground realities in the field, following decisions have been taken.

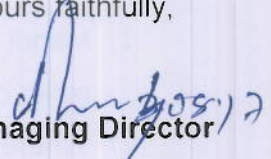

- 1) Mandi Handling Operations may be performed either by the society or custom miller or any other agency partly or fully in the following manner.
- 2) Where Societies perform all Mandi Handling Operations including loading of paddy to the vehicles of miller, such societies shall be paid entire Mandi Handling Charges.
- 3) Where Societies are unable to perform Mandi Handling Operations at Purchase Centers, custom millers may be entrusted with such operations. In such an event, the custom millers shall be paid entire Mandi Handling Charges as decided by OSCSC/Govt.
- 4) Where Societies perform handling operations in part i.e. all operations excluding loading to vehicles of millers, Mandi Handling Charges shall be paid proportionately to the society and the custom miller as decided by Govt./OSCSC based on provisional economic costing issued by Govt. of India.
- 5) Before the commencement of each procurement season, DLPC under the Chairmanship of Collector of the district shall finalize society-wise status of mandi handling operations of the concerned district participating in paddy procurement operations. A comprehensive proposal in this regard shall be placed before the

Committee by the DRCS/ARCS of the district to facilitate a decision by such Committee.

- 6) The societies which have opted not to engage in Mandi handling operations shall also be entitled to commission charges in full as approved by Govt. of India.
- 7) Based on the decision of DLPC, Mandi Handling Charges shall be paid to the agency which may be either the society concerned or the custom miller who is actually carrying out the operations.
- 8) Proper records and registers like Muster Rolls for workers engaged in PPCs shall be kept by the agency/custom miller who has performed mandi handling operations.
- 9) Commission to societies is to be paid centrally by the OSCSC Head Office, OSCB shall raise bill for the paddy procured through societies district-wise duly reconciled with P-PAS figures, Registrar, Co-Operative societies, Odisha may forward the bill to Managing Director, OSCSC for necessary payment.

You are therefore requested to take necessary action at your end for Mandi Handling operation at PPCs during procurement and payment of mandi Handling Charges as per the above said decision henceforth.

Yours faithfully,

Managing Director
