**Sub:- Handling Charges on rice for handling operation at RRC-cum-DSCs for KMS 2016-17.**

Ref:- This office letter No. 19064 dt. 05.11.2016- regarding rates of procurement incidentals for KMS 2016-17.

Sir,

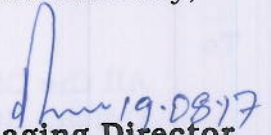

With reference to the subject & letter cited above, I am to say that appointment of Handling Contractors at RRC-cum-DSCs in respect of your districts for the year 2017-19 have been finalized/in the process of finalization. The rates of carrying the CMR (delivered by the custom millers) from platform/weighing scale point and stacking inside the godown has also been finalized. As per clause No. 15(xiii) of the terms of Agreement & GoI guideline, the handling operation namely unloading of CMR , dumping at RRC and weighment shall be done by the custom millers at their own cost. However where the custom millers at his own cost does the stacking of bags in RRC he shall be paid the handling charges at the rate as decided by the Corporation for such work.

Since handling contractors have been engaged at RRC-cum-DSCs, the carrying of CMR from platform/weighing scale and stacking inside the godown shall be done by such handling contractors at the rates finalized. Hence the duty of custom millers is only to dump the CMR at weighing scale /platform and weighment of stock. In view of this handling charges @ Rs.4.00 p.q of CMR shall not be paid to the custom millers w.e.f. date of engagement of handling contractors.

(PTO)

This revised guideline is effective from the date of actual engagement of handling contractors at the RRC-cum-DSCs.

Yours faithfully,
