(Except:-Jagatsinghpur and Kandhamal).

**Sub: Participation of other district miller in deficit milling capacity districts for KMS:2017-18.**

Madam/Sir,

Inviting a reference on the subject cited above, I am directed to say that kharif procurement for KMS:2017-18 is going to be started shortly. In order to ensure hassle free procurement operation during KMS:2017-18 in the districts having less/nil milling capacity, other district millers may be required to those districts for timely milling and delivery of CMR.

It has also been experienced that the millers have tendency to turn a deaf ear and keep on avoiding to furnish required security deposit due to their monopolistic attitude. It is also presumed that millers may not comply the required security amount as against their entitlement in some of the districts and district administration will be constrained to allow the millers to receive excess quantity of paddy beyond the security deposit norm since procurement of kharif paddy will be made within a limited period with flow of huge paddy to the Market Yards.

As per Para-14.3 of Food & Procurement Policy for KMS:2017-18 communicated vide Govt. letter No.18300 dt.13.09.2017, the district where adequate number of rice mills are not available, OSCSC Ltd., may assign millers of other nearby districts with surplus capacity at least 15 days before the start of procurement in a district. One custom miller shall not participate more than two revenue districts including the district where the rice mill is located.

It is therefore requested to furnish list of custom millers willing to participate in other district procurement for KMS:2017-18 taking into consideration of their financial capability, milling capacity, past track records and performance in delivery of CMR for KMS:2016-17 within three days for information of Government.

Yours faithfully,

  
27/10/17  
General Manager (Proc.)

Memo No. 17904 /Date 27.10.17 /
