**Sub: Delivery of CMR (Raw) by the custom millers for KMS: 2017-18.**

Sir,

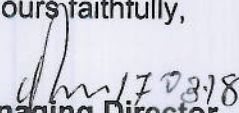

Inviting a reference on the above cited subject, I am to say that in order to meet the requirement of raw rice in raw consuming districts, it is decided that raw rice producing millers of your districts shall deliver raw rice at RRCs of their respective districts for subsequent utilisation for own consumption as well as in other nearby deficit raw consuming districts.

Delivery Certificate already issued to the millers of Ganjam district shall be diverted to RRCs and concerned custom millers shall be directed to deliver the same at RRCs of Ganjam district. The Millers who have packed raw rice in gunny bags for delivery at FCI depot are also allowed to deliver the same at RRCs of Ganjam district.

Raw rice so received from the millers shall be kept in separate chambers with scientific storage facility to avoid deterioration in quality of stock till its utilisation under PDS.

You are therefore requested to take immediate steps for receipt of raw rice from the millers at RRCs as per the above said decision ensuring its quality for subsequent utilisation under PDS.

Yours faithfully,

  
Managing Director
