Dated 5th April, 2018.

Tentative Agenda Points for discussion with MD, Oscsc Ltd, Bhubaneswar.

KMS 2017-18:

1. Revision of minimum TC on Paddy to Rs.21/- and on Rice to Rs.20/- p.q. flat for 1st 10 KM instead of Rs.18/- & 15/- respectively which was fixed two years ago during KMS 2015-16. There has been a drastic increase in the prices of diesel and other consumables. The current diesel price is Rs.69.58 per liter (BBSR) which was only Rs.50.48 per liter in April, 2016. A committee may be formed to decide this matter as was done previously.
2. In view of use of entire 3.67 pcs of once used gunny bags by the miller from his own resources for packing/transportation/storage of paddy equivalent to one quintal of CMR, gunny usage charges are to be calculated after considering this at Rs.22.57 for Boiled and at Rs.22.94 for Raw Rice.
3. Increase in Mandi loading charges from Rs.3.50 to Rs.4.65 in proportion to the increase in the total Mandi labour charges by GOI for KMS 2017-18.
4. Sharing of Insurance premium on 50:50 basis for stocks of Paddy, Rice and Gunny bags belonging to OSCSC Ltd.
5. Waiver of the condition at Para-8 of letter No.5658 Dt.2.4.18 “*within the due date as prescribed by Govt. in FS&CW Dept*” in view of the fact that the CMR delivery is being made strictly as per delivery programme issued by the district office from time to time. There is also no need to withheld 25% from the bills to build up security as mentioned under Clause-50.4 of Operational guidelines for KMS 2017-18 since timely delivery is already made by the millers.
6. In view of the huge burden of transportation cost of paddy on the millers, the reimbursement of the entire cost needs to be considered immediately after close of the paddy procurement pending milling and delivery of CMR.

KMS 2016-17:

1. Allowing payment of TC and other incidentals as per rates communicated vide OSCSC L.No.19064 Dt.5.11.16 on the CMR delivered within the GOI extended time of 30.11.17 for KMS 2016-17.
2. Re-imburement of 50% share of insurance premium incurred by the custom miller as per stipulation made at Clause-9 of the above letter No.19064 Dt.5.11.16. There was specific instructions vide Oscsc Letter No.8926 Dt.30.5.17 to withheld payment of bills of custom millers if insurance is not done by them.

Contd.... 2..

KMS 2015-16:

1. Payment of differential gunny depreciation @Rs.1/34 after adjustment of payment made to the millers @Rs.17/- against the rate of Rs.18/34 allowed by FCI.
2. Allowing sharing of Insurance premium at 50:50 ratio to all millers since the insurance policy was made by Oscsc till 30th November,2016.
3. Release of revised handling charges to the extent of CMR delivered to FCI till GOI extended timeline of 31.12.16 at par on the principles followed for allowing payment of revised rates for delivery of CMR at RRCs.
