No. 13582 Dated 20.8.18

From

Saroj Kumar Samal, OAS
Managing Director.

To

The Commissioner-cum-Secretary,
FS & CW Department,
Govt. of Odisha, Bhubaneswar.

Sub: **Fixation of rates of procurement incidentals of Custom Milled Rice (CMR)/Coarse grain to be procured by the State Government and their agencies during the Kharif Marketing Season 2018-19 – Proposals regarding.**

Ref: GOI letter No.192(13)/2018-FC A/cs, Dt.06.08.2018.

Sir,

Inviting a reference to the subject cited above, I am to enclose the proposal for finalisation of provisional cost sheet pertaining to the decentralised paddy procurement operations for the KMS 2018-19. The proposal comprises of economic costing of both DCP and Central pool operation and back up in the form of corresponding explanatory notes, justification and supporting documents. The salient aspects are as follow.

- The mandi labour charges is tandem with the Notification of Government of Odisha, Labour & ESI Department dated 03.08/2018 which in para-10 provides all sorts of handling activities relating to 100 Kg of Paddy as unit on conversion from 75 Kg to be packed in three bags.
- As regards the transportation charges for movement of paddy from PPC to Mills the suggested cost of Rs.41 per qtl. factors in the weighted average of distance derived from existing data on transportation of paddy inside the district as well as from outside and appreciation in the cost of diesel.
- The custody and maintenance cost of the paddy has been based upon equal bisection of six months' storage period between paddy and rice. The rent of Rs.5.02 per qtl. per month for storage of paddy (Covered) has been proposed keeping in view the rent being paid to FCI for hiring of bare godown space without services.
- Cost of the new gunny as suggested is at par with rate declared by the Jute Commissioner of India.
- GST @ 5% on milling charges and gunny charge has been loaded.

Yours faithfully,

[Signature]
Managing Director

Encl: As above
