Sir,

Inviting a reference to the subject cited above, I am to say that a detailed guidelines on payment of mandi handling charges was communicated vide letter No.13244 dt.04.08.2017. Further, in the procurement guidelines for the KMS 2017-18 at Para No.28 & 52 the procedure and modalities of payment of mandi labour charges have been specified. On the basis of above guidelines, this is to clarify as follows:

1. The DLPC of the district should decide the procedure and modalities of mandi handling operation to be performed either by the PACS or by the custom miller or jointly by miller and PACS. In case such decision has not be taken in the DLPC approval of the Collector may be obtained with regard to mandi handling operation.
2. In case PACS have performed entire mandi handling operations Rs.12.19 per quintal of paddy shall be paid. Where the millers have performed only loading of paddy from the mandi to their vehicles Rs.4.65 per quintal of paddy shall be paid to the custom miller and balance should be paid to the PACS for other mandi handling operations.
3. Where the custom millers have performed entire mandi handling operations they shall be paid Rs.12.19 towards mandi handling operations and no payment is due to the PACS.
4. As per instruction issued vide letter No.13244 dt.04.08.2017 proper records and registers like muster rolls for workers engaged in PPC shall be kept by the agencies/ custom miller who has performed mandi handling operation.

You are therefore instructed to follow the guidelines issued vide letter No.13244 dt.04.08.2017 and orders of Collector may be obtained on mandi handling operations.

Yours faithfully,

  
Managing Director
