Dated 6th December, 2018.

To,
The Managing Director,
Odisha State Civil Supplies Corporation Ltd,
C/2, Nayapalli,
Bhubaneswar-751012.

Dear Sir,

Sub: Receipt of CMR and creation of adequate space thereof.

Most respectfully we would like to bring to your kind notice that agreements have already been executed by the Custom Millers even in late procuring districts and paddy purchase centers are likely to start by about next 5 to 10 days. As a result, the delivery of resultant CMR by these districts will commence by end of current month and will take momentum from the month of January and onwards and meeting the requirement of CMR in local districts may not be a problem.

We understand that Lifting arrangement of CMR for Reserve Storage of 75,000 MT has been planned in some late procuring districts for the months of Jan'19 and Feb'19. This may create space problem in the local districts to receive CMR once it gets momentum.

We therefore, request your honour that *in view of expected delivery of CMR in these districts, the lifting arrangement made vide OSCSC Letter No.18051 Dt.19.11.18 for creation of reserve stock may kindly be reviewed and kept in abeyance to the extent possible to ensure availability of adequate storage space for timely and smooth receipt of CMR during the current KMS.* This will also help in avoiding unnecessary payment of transport charges on such long distance movement of stock.

Yours faithfully,

(Santosh Kr. Agrawal),
Chairman.
