Sub:- Rates of transportation charges to be paid to custom millers for
KMS 2017-18.

Ref:- This office letter No. 5658 dt. 2.4.2018

Sir,

Please refer to this office letter under reference where in the rates of transportation charges payable to custom millers for paddy & CMR in KMS 2017-18 was communicated. After careful consideration, it has been decided to revise the transportation cost on paddy for distance covered from 101 KMs to 107 KMS as indicated below .

1. The Millers get transportation cost @ Rs.57.00 p.q. of paddy for 100 KMs distance covered from mandi to mills. In case miller has covered distance between 101 KMs to 107 KMs for bringing paddy from mandi to mills, then the miller shall be paid minimum transportation cost @ 57.00 p.q.

2. In all other cases i.e. in case distance covered is 108 KMs & onwards the prevalent rates will be applicable. To reiterate, the prevalent rate of KMS 2017-18 is Rs.18/- for 1st 10 KMs and @ Rs.0.40 p.q. / per KM if the distance covered beyond 107 KMs.

The differential transportation cost if any due to miller on account of the above revision shall be paid to the miller.

Yours faithfully,

Managing Director
