Urgent.

Dated 19th December, 2018.

To,
The Managing Director,
Odisha State Civil Supplies Corporation Ltd,
C/2, Nayapalli,
Bhubaneswar-751012.

Sir,

Sub: Request for a standard “format for guarantor”.

First of all, we would like to thank your honour for considering our request for relaxation of security norms of defaulting Custom Millers for participation during current KMS 2018-19. This will help them to save their units from getting sick and this will also give a boost to the ongoing paddy procurement in our State.

As per OSCSC Letter No.19223 Dt.17.12.18, millers in default on account of detected shortage are allowed to participate during 2nd year with security norms of 1:4 ratios subject to furnishing a guarantor for the amount exceeding the security equivalence. *However, the district offices are not sure about the format of guarantor as well as how to arrive at the amount of security equivalence.*

We therefore, most humbly suggest that *in the interest of maintaining uniformity by all the districts, a suitable format of guarantee may be prescribed from the Head Office alongwith sample calculations to arrive at the amount of security equivalence for proper implementation at district level.* An early action in the matter is earnestly requested to enable re-generation of SAS and MAS by converting security ratio to 1:4 against existing 1:1 ratio to give a boost to the lifting of paddy by the millers.

Yours faithfully,

Copy to: Commissioner-cum-Secretary,
FS & CW Dept, Odisha.

(Santosh Kr. Agrawal),
Chairman.
