OSCSC Ltd.

Sub: Regarding delivery of CMR by the Millers participated in other district procurement for the KMS: 2018-19.

Sir,

Inviting a reference to the subject cited above, I am to say that as per provision other district Millers have been deployed in deficit milling capacity district for smooth procurement during KMS: 2018-19. Other district Millers are sometimes directed to deliver CMR in the depot of other adjacent districts basing on the decision taken in the meeting of prudent plan for expeditious realization of CMR and factors like deficiency in receiving districts.

Complaints are being received that the vehicles of the Millers of other districts for delivery of CMR at designated depot, are being detained inordinately without any valid reason by the depot in charge resulting in delay in receipt and causing thereby loss to the Corporation.

It is therefore requested to avoid such practice at RRCs of receiving districts. Further the receiving officers may be informed that any loss caused to the Millers, of borne by the Corporation shall be realized from our functionaries responsible for this.

Yours faithfully,
