Odisha, Bhubaneswar.

Sub: Extension of the period for delivery of CMR in KMS, 2018-19.

Sir,

Inviting a reference to the subject cited above, I am to say that, receipt of CMR by 30th September 2019 in the KMS 2018-19 may run into the problem because of the following:

- 1) Voluminous procurement i.e. to the tune of 62 LMT in the KMS
- 2) Inadequacy of space to matching the requirement
- 3) The mill premises of three coastal districts i.e. Khurda, Puri and Jagatsinghpur are ravaged by extremely severe cyclonic storm FANI causing damage to the stock i.e. both paddy and rice
- 4) Some of our godowns which usually accommodate the rice are damaged and repair thereof is being undertaken.
- 5) Salvaging of rice is in process at affected godowns occupying of space and the operation will take more than a month.

In view of the above proposal may be moved to Government of India seeking extension of period for delivery of CMR in KMS 2018-19.

Yours faithfully,

Managing Director
