Sir,

Sub: Participation of existing Raw Rice Millers in Bhadrak District.

Most respectfully we would like to bring to your kind notice that, M/s. Ananta Narayan Rice Mill and M/s. Bishnupriya Rice Mill having Raw Rice Producing Units, have been appointed for participation in procurement operation during current KMS 2018-19 by Collector, Bhadrak. Both of the above millers have also executed agreement within the time line of 3.12.18. ***However, they have not yet been tagged to any Society awaiting allotment of lot number and confirmation from FCI to receive Raw Rice since the millers have to deliver Raw Rice to FCI in boiled rice consuming district as per the guidelines.***

We may mention here that both the above Raw Rice Millers are functioning since many years and have been delivering Raw Rice at FCI as well as at local RRCs as per direction of the District Office. Last year, they have to deliver entire Raw Rice at the local RRCs as per DC issued to them (1692 MT by Ananta Narayan and 952 MT by Bishnupriya) and ***both of them delivered 100% CMR by 31.7.18 i.e. well ahead of last date of 30.9.18 during previous KMS 2017-18. The Raw Rice was utilized to meet the local requirement in the NAC areas. (Copy of CMR delivery report enclosed for ready reference).*** We are not sure if FCI will agree to receive such small quantity of Raw Rice in their depot.

We therefore, most humbly request your honour that ***in view of their past performance in timely delivery of CMR as well as utilization of the delivered Raw Rice locally within the home district, the above millers may kindly be allowed to lift paddy during the current KMS 2018-19 in order to save the running units from closure due to non participation.***

Yours faithfully,

Chairman.
