Sir,

Sub: Humble request for a short meeting with AORMA on 4.11.22.

Most respectfully, we would like to bring to your kind notice that there are certain matters which require discussions with your honour for early redressal of the same. Pending submission of detailed agenda during the meeting, some of the points are given below:-

1. Communications of Rates of Custody & Maintenance, Gunny Usage Charges and final revised rates of TC on Paddy/Rice for KMS 2021-22 to facilitate submission of Supplementary Bill by the Millers since most of the Millers have already completed 100% delivery of CMR.
2. Timely processing and release of monthly bills at district as well as HO level.
3. Early release of withheld bills of Millers who have already replaced BRL stock during KMS 2020-21 or in any other KMS.
4. Allowing a reasonable time upto 31.1.23 for installation of FRK Blending Machine since the machine manufacturers are not in a position to meet the huge requirement.
5. Short discussion on Policy matters and Operational Guidelines on Procurement of Paddy during new KMS 2022-23.
6. Uploading of letters in "edespatch" on policy and other important matters as was continuing since more than a decade in the interest of transparency as well as to ensure timely and better compliance of Government instructions from time to time by all concerned.
7. Proper functioning of various links provided in the Transparency Portal of www.foododisha.in

We therefore, most humbly request your honour **to kindly give us an appointment for a short meeting with you on 4th November, 2022** during 2nd half or at such time as may be convenient to your honour.

Yours faithfully,

(Santosh Kr. Agrawal),
Chief Advisor.
