Sub: Allowing Driage on Paddy for Raw Rice Delivered.

Ref: This office 1) Letter No 20232/2.11.2012- procurement Guidelines.
2) Letter No.21358/21.11.12
3) Letter No. 16608 dt. 26.09.2013 of FS & CW Deptt.

Sir,

Inviting a reference on the subject & letters cited above, I am to say that detailed instruction on "driage" on paddy in case of Raw Rice was Communicated vide this offer letter No. 21358 dt. 21.11.2012. In the Release Order prescribed in the operational Guideline for the KMS 2012-13, there is provision for allowing driage in case of Raw Rice.

2. The Authorised officers of your district while issuing release order for delivery of paddy for milling from joint custody should have ascertained and indicated the driage quantity on the release order. This was not followed inspite of clear guidelines. There is also lack of supervision from CSO CUM District Manager on implementation & compliance of procurement guidelines.
3. Govt. of India has provided driage on paddy @1%.in case of Raw Rice. In the earlier KMS driage @1% of cost of paddy at MSP was allowed to the millers against 100% delivery of CMR due from them. In the KMS 2012-13, actual driage as it occurs during storage of paddy till it is milled was allowed to the millers subject to limit of 1%.

4. In view of above following clarifications are issued;

a. In case the custom miller has not milled entire paddy, the authorised officer must ascertain actual drriage of paddy suffered by the mill and report to CSO CUM DM. Actual drriage or 1% whichever is less shall be allowed on paddy. The CMR due from the miller shall be calculated after allowing the drriage quantity allowed.

b. Where the miller has already milled entire paddy and delivered CMR to OSCSC, cost of drriage @1% of MSP of paddy i.e. Rs.12.50 p.q. or Rs.18.65 p.q. of CMR delivered shall be paid to the miller in lieu of drriage.

Action taken in the matter should be reported to OSCSC Ltd.

Yours faithfully,

Managing Director
