Sub:- Implementation of Paddy Procurement Automation System (P-PAS) during KMS : 2014-15 in selected high procuring Blocks of your District.

Madam/Sir,

In inviting reference on the subject cited above, I am to say that, after successful implementation of Paddy Procurement Automation System (P-PAS) in 10 high procuring Blocks of Baragarh, Bhadrak, Kalahandi, Koraput, Sambalpur and Sonepur districts during KMS 2013-14 the FS & CW Deptt. in principle has taken a decision to replicate P-PAS in 50 more Blocks covering 24 Districts of the state during kharif Marketing Season 2014-15. The list is enclosed at Annexure-1

1. The P-PAS will be implemented in all the Societies/ Market Yards (Mandis) of these 50 selected Blocks as decided by the Department. To make it successful, manual entry will not be entertained during the implementation of P-PAS at all the mandis. Right from issue of advance token till payment to the farmers, all transactions will be done through computer without fail.

2. The Odisha Modernising Economy, Governance and Administration (OMEGA) has been entrusted by the Deptt. to design, develop and implement P-PAS for mandis operations in your districts. Under the System, on-line transactions of all operations up to payment to farmers will be automated for better monitoring and transparency.

3. To make P-PAS successful, all the societies may be directed to complete online FIC registration process by September 2014 so that it will be integrated with the system before commencement of KMS 2014-15.

4. The list of 50 selected Blocks of 24 Districts is enclosed for your information and necessary action.

Therefore, you are requested to ensure necessary infrastructures at the mandis. Please provide relevant information related to paddy procurement to the OMEGA Team for ensuring smooth implementation of the P-PAS in your District. OMEGA Team would visit your district shortly at your convenience to sensitise the stakeholders about the requirements for implementing P-PAS in your district.

Yours faithfully,

11-7-14
