Ref: This office letter No. i) 11862 dated 24.06.2013  
ii) 3642 dated 22.02.2014  
iii) 5020 dated 14.03.2014

Sir,

Inviting a reference to the subject and letters cited above, I am to say that a detailed instruction is issued from this office vide this office letter No. 3642 dated 22.02.2014 on scientific storage of paddy and rice to be followed by the Custom Millers, for the stock kept at the mills premises under Joint Custody. The millers under the terms of agreement are to keep the stock of OSCSC in scientific manner.

2. The stock of paddy, rice & gunny bales of OSCSC kept under Joint Custody is insured under the Fire (Floater) policy with the National Insurance Company Ltd. In case of any incidence of damage of stock of OSCSC due to fire, flood cyclone or any Act of God (AOG), the same must be intimated to OSCSC Head Office, indicating approximate quantity of stock damaged.

3. OSCSC also allows Custody and Maintenance charges to the Custom Millers for keeping the stock of OSCSC at the mills premises in proper, safe and scientific manner, till the paddy is milled and CMR is delivered to OSCSC/ FCI.

4. In this context, it is clarified that if the stock is not kept under scientific storage and in the manner as communicated vide letter under reference the entire loss/ damage on account of Fire & other natural calamities shall not be accepted by the Insurance Company and the Custom Miller shall be held responsible for such loss. In such cases the millers would not be entitled for payment of Custody & Maintenance Charges.

Therefore, it is requested to send a line of instructions to the Custom Millers individually to act in accordance with the norms of safe & scientific storage as communicated vide letter No. 3642 dated 22.02.2014.

Yours faithfully

  
Managing Director
