Sub.-Quality of gunny received on account of OSCSC during KMS 2013-14...reg.

Sir,

With reference to the cited subject, it is to inform you that the quality of gunnies in which rice are being delivered to FCI by OSCSC Ltd. not up to the mark. As per instruction in vogue the standard tare weight of a gunny is 665gm. However, it has been observed during inspection that the tare weight of gunnies are of below 615 gm As a result quality cuts i.e. Rs. 1.00 to Rs.2.00 per gunny are imposed. The quality of gunnies needs to be improved in respect of both texture and structure.

In view of above, you are requested to arrange to deliver rice in gunnies having good texture and structure as per the prescribed specification for smooth delivery of rice and effective storage/transportation of food grains.

Yours faithfully,

Area Manager

Date:-13.01.2014

To
The CSO, Dhenkanal.

Sub:- Delivery of OSCSC CMR at FSD Dhenkanal -regd.

Sir,

During inspection of FSD Dhenkanal, it is noticed that the refractions of damaged grains in the CB Rice delivered by OSCSC Ltd., dhenkanal on 8.01.2014 has been found in the border line of admissible limit. The polish of the Common Boiled Rice is also needs to be improved.

As regards to quality of gunnies, the NSBT gunnies weighed by the undersigned is found with below weight and in gunny cut norms of Govt. of India.

Hence, it is requested to deliver the CMR consignments with NSBT gunnies well within the specification fixed by the Govt. of India since the stock procured will be either issued to the sensitive schemes like MDM/ SNP or dispatch to other states. The polish of the grains may also be improved to enhance the merchantability as well as to reduce the damaged grains.

Yours Faithfully,

Area Manager

Sub: Complain on quality of gunnies supplied by O.S.C.S.C Ltd. for packing of C.M Rice.

S.K.O.
The District
In file

Sir,
I am to bring your kind notice that the Kendujhar District Rice Millers Association have submitted a representation regarding quality and weight of gunnies supplied by OSCSC Ltd for packing and delivery of CMR under OSCSC Account (copy enclosed).

The gunny bales supplied to this district is mainly from different Jute Mills of Andhra Pradesh and from Kalinga Jute Mill of Dhenkanal. The weight of the gunny comes around 580 Grams and are not well knitted. For this the FCI is not ready to accept the gunnies of this quality and if accepting, it is with value cut which will make financial loss to OSCSC Ltd.

Therefore, I requested you to kindly look in to the matter and take remedial measures for smooth procurement of paddy.

Yours faithfully,

District Manager,
OSCSC Ltd., Keonjhar

Sub: - Difficulties in delivery of CMR to FSD/FCI Keonjhar depot.

Respected Sir,

With reference to the subject cited above we would like to bring some following difficulties at FSD/FCI Keonjhar depot.

1. That we are delivering the CMR packed with the gunny supplied by OSCSC to us which is actual weight of 580.00 Gms and is acceptable in value cut.
2. That the gunny bag supplied by OSCSC is weaving defect (Looking Net type Jali) for which the FCI is not ready to accept the bags and advised to buy another separate gunny bags for delivery of CMR .
3. That the labours of FSD/FCI Keonjhar demanding very high rate for unloading of CMR which is a very high rate compare to all other FCI of odisha.

This is not possible at our part to being deliver the CMR to FSD/FCI Keonjhar unless the above facts are to be solved. So it may be solved by arranging a joint meeting of millers and FCI personnel that CMR delivery can be operate smoothly.

We hope our stand will be considered and waiting for a positive response.

Thanking You,

Yours Faithfully,

NSBT gunnies well with the specification fixed by the
Govt. of India.

Sir,

With reference to the subject cited above, I am to say that the
gunny supplied by OSCSC Ltd., Bhubaneswar found that as regards to
quantity of gunnies, the NSBT gunnies weighed by the FCI, Dhenkanal is
found with below weight and in gunny cut norms of Govt. of India as per
complained raised by Area Manager, FCI, Cuttack (Copy enclosed).

I therefore request you kindly instruct the gunny suppliers to
supply well NSBT gunnies to this district to avoid complain of Area Manager,
FCI, Cuttack.

Yours faithfully,

District Manager,
OSCSC Ltd., Dhenkanal.

Sub: Forwarding of representation of Millers regarding quality of gunny supplied.

pr. out
BL
26/2

Sir,

It has been alleged by some of the millers that the gunny bags supplied by O.S.C.S.C. Ltd. for packing and delivery of CMR are of underweight which comes to 500 gm instead of standard weight of 665 gms.

The Purchase Officer FCI also is resisting to accept such type of non-standard gunny bags and they face deduction of gunny-cut at FCI level which may hamper delivery of Rice to FCI.

On verification of few nos of bags at random the weight ranges from 500gms to 600gms as well as branding, ^(colour coding) specification is not visible.

In view of this necessary kind directions may be issued for further action at this end.

Yours faithfully,

Enclosures :-

1. Two nos of allegations from custom millers.
2. One sample gunny

Sub: - nonstandard weight of B.Twill Gunny Bags

Respected Sir,

With reference to the above subject we would like to inform you that, we have received fifty B.Twill gunny bales(25000no.s bags) on Dtd.-20.01.2014 by the vehicle no.-AP16TW7797 from your A/C i.e. Sri Laxmi Srinivasa Jute Mills Ltd., Unit-Bobbili, Bobbili, Vizianagaram, Andrapradesh .The net weight of fifty Gunny Bales of our weighbridge is 155.40 Quintals i.e. 620gm. average weight per one piece of gunny . After Checking weightment of each gunny bags . the weightments are 600gm., 620gm., 625gm. etc. per piece.The standard weightment of each gunny bags should be 665gm. by OSCSC norms. The nonstandard weightment of gunny bags should takes place obstacle at the time of delivery of CMR for the K.M.S.- 2013-14

This is for your kind information and necessary action.

Thanking you.

Your's faithfully.

Sub: Regarding receipt of gunny bags below the specified weight.

Sir,

In continuance to my earlier letter on the issue dated 21.01.2014, no action in this regard is taken yet. I am herewith sending the sample of gunny bag with this letter to M.D, OSCSC Ltd, and I hope that suitable action will be taken once he sees the kind of gunny bags are supplied to the millers. FCI, Cuttack has categorically told that they will return the Rice lot if such quality of gunny bags are used for packing & delivery to them. They are also deducting the quality cut on account of gunny & also giving us the net weight after deducting 665 grams irrespective of the actual weight of gunny. Hence we are losing Approx. 300 grams per quintal, which amounts for Rs 7.00/- per quintal, with no fault of ours.

So kindly look into the matter & issue necessary instructions or else we will be bound to refuse the receipt of inferior quality gunny further.

Your early and kind attention to this matter will be highly appreciated.

Thanking You,

Yours Faithfully

DATE: 21.01.14

To,

The District Manager,
O.S.C.S.C. Ltd,
Cuttack.

Sub: Regarding receipt of gunny bags below the specified weight.

Sir,

We have received 50 bales (15000 pcs) gunny bags from truck no. AP 16 TW 7356 on 20.01.14 loaded from SRI LAXMI SRINIVASA JUTE MILLS LTD, VIZIANAGRAM. We have checked the weight of the gunny through weighbridge and also 10 bags individually. We were shocked to see that both the weighbridge weight & individual weight comes between 500-590 gms per gunny, which doesn't confront the parameters of gunny bags to be used to pack CMR.

Moreover there will be a straight loss of 300gms in packing 1 Qntl CMR as the depot in-charge are deducting 665 gms per bag on account of gunny weight from the CMR delivered to them. The loss on account of gunny weight comes at Approx, Rs 7.00 per Quintal.

The weighment slip & sample weight of 10 nos. gunny bags is enclosed for your reference.

So kindly look into the matter & issue us necessary instructions.

Your early and kind attention to this matter will be highly appreciated.

Thanking You,

Yours Faithfully
