File No. Acct/comp/DPC-1/13-14 Letter No. 8156 Dt. 06-05-14

From

Suresh Kumar Vashishth, IAS,
Managing Director.

To

All CSO-cum-District Manager,
Odisha State Civil Supplies Corporation Ltd.

Sub: Custody & maintenance charges for KMS 2013-14.

- Ref: i) This office letter No.5221 dt.18.03.2014 – Regarding rates of incidentals for KMS 2013-14
ii) Guideline for procurement of paddy for the KMS 2013-14 issued vide letter No.20499 Dt. 05.11.2013.

Sir,

With reference to the subject and letters cited above, I am to say that the incidentals payable to the custom millers **except Custody & Maintenance Charges** for the KMS 2013-14 was communicated vide letter No.5221 dt.18.03.2014 . Board of Directors in their 164th meeting held on dt.29.03.2014 decided for payment of Custody & Maintenance Charges to the custom millers as per the following guidelines.

1. Custody & Maintenance Charges for 4 months shall be paid to the millers where average storage period of paddy is 4 months or above.
2. Where average storage period of paddy is less than 4 months, Custody & maintenance Charges shall be paid for the actual months of storage of paddy subject to minimum of 2 months.
3. The average storage period as referred to at 1 & 2 above, shall be calculated as below.
$$\frac{\text{Total of Average Stock (opening + closing /2)}}{\text{Total paddy received by the miller}}$$
4. The opening stock of paddy, closing stock of paddy and total paddy received **shall be taken from the Weekly Verification Report**. The average storage period of 15 days or more shall be treated as one month and storage period less than 15 days will be ignored.
5. The calculation of average storage period is illustrated below. This is worked out assuming that the custom miller has received 1650 MTs of paddy in KMS 2013-14 and entire stock of paddy received by him were issued for milling from joint custody .

(Fig. in MT)

Months	Opening stock of paddy at the beginning of the month	Paddy received during the month	Paddy issued for milling during the month	Closing stock of paddy at the end of the month	Average Stock (Opening stock + closing stock/ 2) (in MT)
1	2	3	4	5	6 (2+5/2)
Nov'13	Nil	250.00	0	250.00	125.00
Dec'13	250.00	400.00	200.00	450.00	350.00
Jan'14	450.00	450.00	200.00	700.00	575.00
Feb'14	700.00	350.00	200.00	850.00	775.00
March'14	850.00	200.00	200.00	850.00	850.00
April'14	850.00	0	200.00	650.00	750.00
May'14	650.00	0	200.00	450.00	550.00
June'14	450.00	0	200.00	250.00	350.00
July'14	250.00	0	250.00	0	125.00
Total		1650.00	1650.00		4450.00

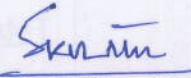

Average storage period as per above illustration:- $\frac{4450.00}{1650.00} = 2.69$ months i.e. 2 months 21 days

6. Since the average storage period is two months & 21 days, it shall be taken as three months and miller shall be entitled for payment of custody & maintenance charges for three months.

7. The rate of Custody & Maintenance Charges per month is Rs.2.40 per quintal of paddy as per economic costing of Govt. of India. Hence, the custom miller as per above illustration will get custody & maintenance charges @ Rs.2.40 p.q. of paddy per month for three months amounting to Rs.7.20 per quintal on 1650 MTs of paddy .

8. The custom millers shall be paid custody & maintenance charges for KMS 2013-14 only after delivery of 100 % CMR and due compliance of terms of procurement guideline issued vide letter No. 20499 dt.05.11.2013.

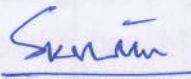

Yours faithfully,

Managing Director

Memo No. 8157 Dt. 06-05-14.
