iii) 22393 dated 08.12.2014

Sir,

Inviting a reference to the subject and letters cited above, I am to enclose herewith guidelines issued vide this office letter No. 3642 dated 22.02.2014 on scientific storage of paddy and rice to be followed by the Custom Millers, for the stock kept at the mills premises under Joint Custody. The millers under the terms of agreement at claim No. 23 & 24 are to keep the stock of OSCSC in scientific manner.

In this context, it is to mention the stock of paddy, rice and gunny bales are insured with the National Insurance Company. As per the terms and conditions of the Insurance Company, the stock shall be kept under safe and scientific storage by the millers till it is delivered to FCI/ RRC. If stock is damaged by fire or any other natural calamity then it can be claimed to National Insurance Company, provided, the stock has been properly stored at the mills premises according to the guidelines issued by OSCSC.

Unless and until the miller keep the stock as per prescribed guidelines and take adequate measure for safe storage of stock, the damage of stock due to fire and other perils shall not be entertained by the Insurance Company. In such case, the miller shall be liable to deliver all the CMR due or pay the cost of damaged paddy/ rice as per the economic costing provided by Govt. of India.

Hence, it is once again requested to communicate the instructions in the letter No. 3642 dated 22.02.2014 participating in KMS 2014-15 to make necessary arrangements for safe and scientific storage of stock of OSCSC.

Yours faithfully
