Sub: Status of delivery of CMR by the custom millers.

Sir,

I am to say that it has been decided in 166th meeting of Board of Directors held on 25.09.2014 that the defaulting millers who continued to make delivery of pending CMR, shall be asked to complete delivery of entire balance CMR by 10th October 2014. After expiry of due date of 10.10.2014, OSCSC shall take steps to shift the paddy (in respect of undelivered CMR) from the premises of defaulting custom millers to other millers, who have completed delivery of due CMR. If required quantity of paddy is not available with defaulting millers for shifting, suitable action for recovery of Corporation dues shall be initiated against those millers.

You are therefore requested to take immediate steps for shifting of available paddy against undelivered CMR from the mill premises of the defaulting custom millers to other millers, who have completed delivery of due CMR. Immediate Civil and Criminal action shall also be initiated against the defaulting custom millers as per terms of agreement for recovery of Corporation dues, if required quantity of paddy is not available with them.

Action taken in the matter shall be intimated at the earliest in compliance to the decision of Board of Directors.

Yours faithfully,

10/10/14
