Sub:

Construction of 5 lakh MT storage space for paddy.

Sir,

I am directed to say that it has been decided in the meeting to create an additional storage space of 5 lakh MT at PACS & RMC yards since PACS are procuring more than 80% of the total paddy. Construction of godowns of 1750 MT, 1000 MT and 500 MT in 544 PACS was decided to be taken-up to create storage space of 5 lakh MT keeping the procurement track record of the respective PACS. It was further decided that RDCs will finalize the locations and co-ordinate with the Co-operation Department where PACS will take-up construction of godowns basing on the quantity of procurement of paddy.

The Chief Secretary, Odisha has kindly ordered on 16.07.2013 to expedite formulation of the plan for creating additional storage capacity of 5 lakh MT.

You are therefore requested to kindly furnish detailed position for construction of 5 lakh MT storage space to this Department for taking further action at this end.

Yours faithfully,

Additional Secretary to Govt. 20/7/13.
