Sub. : Study on Trial Milling of Paddy for fixation of out-turn ratio (OTR).

Ref. : FCI, Regional Office, Bhubaneswar letter no.QC.25/Trial Milling/2009-14/1142 dated 01.08.2014.

Sir,

Inviting reference to the letter and the subject cited above, I am directed to say that trial milling of paddy for fixation of out-turn ratio was conducted by your Institute in Odisha during the month of August, 2014. But no report in this context has been received by the State Government.

It has been brought to the notice of the State Government by the All Odisha Rice Millers' Association that a re-trial milling is being planned by your Institute on the ground that the earlier paddy was of non-FAQ standard.

In this context it is requested to submit the study report of the trial milling conducted in the 4 districts of Odisha for necessary appraisal of the Government.

Yours faithfully,

B.S.15
Deputy Secretary to Govt.
