Sub: Security norms of defaulting Custom Millers for KMS: 2018-19 and after wards after regularization.

Ref: This Office memo No.18599 dt.3.12.2018.

Sir,

In modification of this Office letter No.15598 dt.3.12.2018 this is to say that the following norm of security will apply to the Custom Millers replacing the stipulation/ provision made to this effect in the letter.

Default by exceeding the time limit for deposit of CMR	1:1 security deposit norm for the subsequent year.	1:4 security deposit norm in the 2 nd year. Restoration of normal ratio from the 3 rd year onwards.
Default on account of detected shortage	1:1 security deposit norm for the subsequent year.	2 nd year 1:4 with guarantor for the amount exceeding the security equivalence. Restoration of normal ratio from the 3 rd year onwards.

This is pertinent to mention that graduation to normal security norm will be subject to performance. However I am directed to inform that this order does not hold good for the following Millers of Kalahandi district.

- 1) M/s R.K. Modern Rice Mill, Kesinga, Kalahandi
- 2) M/s Ganapati Rice Industries, Kusumkhunti, Kalahandi
- 3) M/s Bajrang Rice Industries, Ladugaon, Kalahandi

It is therefore requested to take necessary steps at your end for participation of such Millers except the listed ones in procurement operation as per the above said stipulation during KMS: 2018-19.

Yours faithfully,
