**Sub: Release of funds through OBMS towards Millers dues for KMS 2019-20.**

Sir,

Inviting a reference to the subject cited above, I am to say that on your requisition for placement of funds this office has released funds to your district through OBMS. After release of funds to the custom millers you are suppose to make suitable entries in the OBMS in support of actual payment made to the millers. It is noticed that many districts are not entering the data of payment released in the OBMS Portal, for which the very purpose of OBMS is difficult.

It is instructed to make entries up to date in the OBMS. **Unless this is concurrently made further release of funds to your district will be held up.**

Yours faithfully,

*Ami*
