Bhubaneswar-751006.

Dear Sir,

**Sub: Non Payment of Transportation charges to millers for
paddy/CMR as per GOI cost sheet for 2011-12 KMS.**

We draw your kind attention to letter No.6070(14) dated 30.3.2012 sent to all the Managers (P.P.) communicating rate of transport charges @Rs.7/- per quintal of paddy for 1st 10 KM and @35 paise per quintal / KM for subsequent Kms during 2011-12 KMS.

We may mention here that GOI has allowed a flat rate of Rs.34/20 per quintal as TC on paddy as per economic costing sheet dated 11.11.2011. The millers have executed agreement with you at the beginning of current KMS 2011-12 after considering the rates payable for different items of expenditure as per GOI cost sheet. More than six months of current KMS 2011-12 have already passed and any cut in rates in the midst of the season at this belated stage is totally unwarranted. There is wide spread resentment amongst the millers which may adversely affect their future relationship with you.

We therefore, request you to continue with payment for all services as per Government of India costing sheet as was agreed earlier at the start of procurement season and your said letter dated 30.3.2012 may kindly be withdrawn.

Thanking you and assuring our co-operation at all times, we remain,

Yours faithfully,
